

LIVE ACOUSTIC MUSIC WORKSHOPS FOR THE UNDER EIGHTS

RAINBOW
STRIPES!

LIVE MUSIC WORKSHOPS FOR CHILDREN, LED BY THE EAST MIDLANDS' FAVOURITE WIGGLERS AND GIGGLERS - SING, DANCE, JAM, LAUGH WITH LIVE ACOUSTIC GUITAR AND PERCUSSION!

"RAINBOW STRIPES" - Professionally led, multigenerational / fully inclusive LIVE ACOUSTIC music group, combining top delivery with unbeatable results, engaged high attendances and a sense of humour ! Children and carers / parents are invited to sing, dance and play to some old favourites and original songs, accompanied by live guitar and bongos, while being engaged in activities and games of all types (audio, visual, kinesthetic etc), having a joke and a boogie along the way. Real music, without a CD player or electrical cable in sight! Usually 45 minutes in duration, 15 minutes set up / take down, over the last ten years we have worked with local councils, schools, the libraries service, Surestarts, playteams and the private sector.

There are many, many registered benefits to a well-hosted music group - children and adults are focused and engaged in a multigenerational, shared yet transient environment, each is encouraged to feel valued both as a member of a group and as an individual. Familiar songs and rhymes are combined with a fluid list of varied activities, each designed to retain focus and work on a different aspect of development. Each session is infinitely variable, which is only possible with a responsive, live source of music.

RAINBOW STRIPES!

The original and the best for ten years!

HAPPY STRIPERS

"LOVE your session!! She's in a good mood all day after songs with you! ;-) x"

"It's so refreshing to go to a music group run by gifted musicians with clear experience of involving and motivating young children. The classes are themed and well paced and there are always fabulous props to tempt even the most shy child to get stuck in. Thank you."

"Thank you so much for singing us through the year, it really is one of our weekly highlights!"

"These sessions do wonders for our girls!!!"

"...if you have children go along to see them you will not be disappointed fantastic xxxx"

"She loves Pete and Sue, singing, dancing and hiding under the lycra..."

"I have been bringing my daughter to your session since she was 3 months old and she loves it (we both do!)"

"Brilliant! x""...makes mine & my son's Thursday mornings complete! As I'm sure it does for lots of other Parents & Toddlers too! x"

"Me & My Son have only been to a few of your sessions but enjoy them SO much!! x"

INFORMATION FOR TEACHERS AND CHILDCARE PROFESSIONALS

- Sessions include all children, giving every age and ability chance to be involved and gain achievement
- Sessions have a balance of repetition and new fresh material. Repetition enables children to feel strong and independent, confident and self assured, whereas change gives stimulus, knowledge of the world and curiosity.
- Music improves vocabulary and can be picked up easily in any language. It conveys communication with ease.
- Music is expressive and perfect for developing listening and speaking.
- Sessions are active with many opportunities for fine and large motor movements. Music is felt by the body and develops coordination and control of movement.
- Sessions encourage children to interact with others developing social skills and positive relationships
- Sessions are good for literacy. A new story is read and expanded on every week in the longer sessions to inspire a love of books
- Many songs have numerical content used for understanding and using numbers, shapes and other mathematical concepts.
- Sessions and songs can be based around any topic or subject to expand on children's knowledge of the world.
- Concentration skills and focus are encouraged. Children are expected to be involved.

Sessions hit all targets on the Prime and Specific areas of the Early Years Foundation Stage Curriculum

DON'T FORGET...

We believe that music is the first human language and is spoken fluently by every person in the world, whatever their circumstances or needs; everything from mathematics to emotional wellbeing can be reinforced during a session. We believe strongly in what we do and invite everyone at our sessions to share in our passion!
